#### INDEPENDENT AUDITOR'S REPORT

The Board of Directors
THE EDMUND NILES HUYCK PRESERVE, INC.

Rennselaerville, New York

#### **Report on the Audit of the Financial Statements**

#### Opinion

We have audited the financial statements of THE EDMUND NILES HUYCK PRESERVE, INC., (the Organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization, as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted the audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the

Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Organization's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

#### (1) Organization and Summary of Significant Accounting Policies

The Edmund Niles Huyck Preserve, Inc. (the "Preserve") was incorporated in 1931 and is located in Rensselaerville, New York. The Preserve's primary purpose is to preserve the natural beauty of the lands surrounding it and to increase the general knowledge and love of nature. The Preserve is supported primarily through grants and contributions, the most significant being from The Edmund Niles Huyck Foundation.

The Preserve is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is classified as an organization that is not a private foundation, and qualifies for the charitable contribution deduction for individual donors. Management believes there are no sources of unrelated business taxable income and no uncertain tax positions. The Preserve is required to file Federal Form 990 "Return of Organization Exempt from Income Tax" annually.

The accompanying financial statements have been prepared on the accrual basis of accounting. Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. While management uses its best estimates and judgments, actual results could differ from those estimates as future confirming events occur.

#### (a) Revenue Recognition

#### Contributions

Contributions are recognized as revenues in the period received or promised, whichever is earlier. All contributions are considered to be available for the general programs of the Preserve unless specifically restricted by the donor. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Restrictions imposed that are met in the same year they are received are included in net assets without donor restrictions.

#### **Grants**

The Preserve derives revenue from grants and contracts. These are considered non-exchange transactions and are reported as increases in net assets without donor restrictions as the associated barriers are overcome, which generally are as allowable expenses under such contracts are incurred. Amounts received in excess of allowable expenses incurred or in advance of being earned are recorded as deferred revenue. The Preserve has elected a policy to report grants and contracts where the condition and restriction are met in the same reporting period within net assets without donor restrictions.

#### (1) Organization and Summary of Significant Accounting Policies (cont.)

#### (b) Investments

The Preserve records investments in publicly traded equity and debt securities at fair value. Fair value is determined based upon quoted market prices. Investment gains and losses are recognized in the statement of activities. Investment income, including gains or losses, is recognized as an increase or decrease in net assets without donor restrictions unless its use is restricted by explicit external stipulations or by law.

#### (c) <u>Cash Equivalents</u>

The Preserve considers all highly liquid investments, principally brokerage money market funds, to be cash equivalents.

#### (d) <u>Land, Buildings, Equipment and Depreciation</u>

Land, buildings and equipment are recorded at cost or, if donated, at the fair value at date of donation. It is the Preserve's policy to capitalize fixed asset expenditures with a unit value greater than or equal to \$1,000 and a useful life greater than one year. Contributions of long-lived assets with explicit restrictions that specify how the assets are to be used and contributions of cash or other assets that are to be used to acquire long-lived assets are reported as contributions with donor restrictions. Absent explicit donor stipulations about how long-lived assets are to be maintained, the Preserve reports expirations of donor restrictions when the contributed or acquired long-lived assets are placed in service. Depreciation is computed on the straight-line method over the estimated useful lives of the assets. Expenditures for repairs and maintenance are charged to operations as incurred. When units of property are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and any resulting gain or loss is credited or charged to operations.

#### (e) <u>Functional Expenses</u>

Expenses are charged to program services, supporting services or fundraising based on direct expenditures incurred. Any expenses not directly chargeable are allocated based upon appropriate percentages determined by management.

#### (f) Grants Payable

Grants authorized but unpaid at year end are reported as a liability in accordance with Financial Accounting Standards Board (FASB) "Accounting Standards Codification 720". Grants payable are measured and reported at fair value which equals net realizable value. The Preserve has authorized and accrued grants totaling \$800 as of December 31, 2021.

#### (1) Organization and Summary of Significant Accounting Policies (cont.)

#### (g) Financial Assets - Liquidity and Availability

The Preserve has \$2,501,090 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash and cash equivalents of \$698,533, grants and accounts receivable of \$480, and investments of \$1,802,077. There are donor restrictions of \$37,535 on these financial assets that make them unavailable for general expenditures within one year of the statement of financial position date. Accounts receivable are expected to be collected within one year of the statement of financial position date. As part of its liquidity management, the Preserve has a policy to structure its financial assets to be available as general expenditures, liabilities and other obligations become due.

#### (2) The Edmund Niles Huyck Foundation

The Preserve receives an annual grant from The Edmund Niles Huyck Foundation (the "Foundation") consisting of amounts for current operations and research. The amount of the grant was for \$145,000 for December 31, 2021.

The annual grant from The Foundation, although received since 1960 by the Preserve, is made at the discretion of The Foundation's Trustees who are under no obligation to make such distributions to the Preserve. It is anticipated that these grants will continue to be made to the Preserve in the future in accordance with the stipulations in the will of Mrs. E. N. Huyck which specifies that the Trustees may distribute monies from the income and principal of The Foundation to organizations or individuals to promote purposes which are common to the Preserve and the Foundation.

#### (3) Net Assets with Donor Restrictions

Net assets with donor restrictions are comprised of the following:

Land Preservation	\$ 26,287
75 <sup>th</sup> Anniversary Book	10,060
Weather Station	1,188
	\$ 37,535

#### (4) Property and Equipment

Property and equipment are recorded at the following values:

Land & Improvements	
Purchases, at cost	\$ 284,332
Donated (estimated average market values at	
dates of donations	306,065
Land Improvements, at cost	150,003
	740,400
Buildings & Improvements	
Acquired prior to 1973, at appraised value	55,670
Additions after 1972, at cost	726,241
	781,911
Equipment, at cost	77,549
Property & Equipment	\$ 1,599,860

#### (5) <u>Investments</u>

Following is a summary of investments at December 31, 2021:

Current

Mutual Funds	\$ 1,729,094
Common Stock	72,983
	\$ 1,802,077

The following schedule summarizes the investment return as recorded in the statement of activities:

Investment Income

Interest & Dividends	\$ 28,481
Net Gain on Investments	280,288
	\$ 308,769

#### (6) Retirement Plan

The Preserve has established a salary deferral plan whereby employees can elect to defer a portion of their gross pay for income tax purposes. Contributions made by the employee, which are held by a third-party administrator in the employee's name, are fully vested. The Preserve's contribution was \$4,174.

#### (7) Concentration of Credit Risk

Financial instruments that potentially subject the Preserve to concentrations of credit risk consist principally of cash accounts in financial institutions which, from time to time, exceed the federally insured limit of \$250,000. Additionally, the Preserve has funds invested in uninsured money market funds, the balance of which totaled \$528,936 at December 31, 2021.

#### (8) Fair Value Measurement - Definition and Hierarchy

FASB "Accounting Standards Codification 820" establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy and a description of the valuation techniques used for instruments measured at fair value are as follows:

<u>Level 1 Inputs</u> - quoted prices in active markets for identical assets or liabilities as of the reporting date.

<u>Level 2 Inputs</u> - pricing inputs other than quoted prices included in Level 1, which are either directly observable or that can be derived or supported from observable data as of the reporting date.

<u>Level 3 Inputs</u> - pricing inputs include those that are significant to the fair value of the financial asset or financial liability and are generally less observable from objective sources. These inputs may be used with internally developed techniques that result in management's best estimate of fair value.

The following table sets forth the Preserve's financial assets that were accounted for at fair value. Financial assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement:

	Level 1	iotai
Brokerage Money Market Accounts	\$ 528,936	\$ 528,936
Mutual Funds	1,729,094	1,729,094
Common Stock	72,983	72,983
	\$ 2,331,013	\$ 2,331,013

#### (9) Fair Value Measurement - Definition and Hierarchy

Cash, grants and accounts receivable and current liabilities - carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

#### (10)Contingent Liability

#### **Grant Programs**

The Preserve participates in grant and contract programs. These programs are subject to financial and compliance audits by the grantors or their representatives. Accordingly, the Preserve's compliance with applicable grant and contract requirements may be established at some future date. The amount, if any, of expenditures or funding which may be disallowed by the granting agencies cannot be determined at this time.

#### (11)Coronavirus (Covid-19)

The United States is presently The United States is undergoing a protracted national health emergency due to the Coronavirus (COVID-19). The overall consequences of COVID-19 are unknown but have the potential to result in a significant and extended economic impact. The impact on the Preserve and its future results and financial positions is not presently determinable.

#### (12)Subsequent Events

Management has evaluated subsequent events through April 30, 2022, the date on which the financial statements were available to be issued.
