Summer Education Programs

Because of the restrictions related to COVID-19, our plans for summer education programs are on-hold. Updated information will be posted on our website: <https://www.huyckpreserve.org/summer-programs.html>.

Lake Myosotis Beach Program*

Because of uncertainty around COVID-19, we are not currently selling beach passes. Swim lessons will not be offered in 2020.

Kayak racks are available for rent at this time.

Please indicate if you would like to be among the first notified about purchasing a beach pass if we are able to open our beach this summer.

Keep up-to-date on the status of our lake program by visiting <https://www.huyckpreserve.org/lake-myosotis.html>.

Boat Rack

- I am interested in purchasing a kayak/canoe rack. I have included additional payment and filled out my boat information on the back page.

Swim Pass

- I am interested in being contacted to purchase a swim pass should the lake open for swimming this summer.

Boat Rack Rental

The Preserve offers kayak/canoe racks to our members from May 1 – November 1 for a seasonal fee of \$50 per boat. There are a limited number of spaces available. Racks will be assigned on a first come, first served basis. The Preserve will provide combination locks, and, for safety reasons, boats must be locked at all times when not in use. The Preserve is not responsible for theft or damage to boats. Boats must be removed by the end of the day November 1st.

Please note: if future restrictions related to COVID-19 impact the use of boat launches or boat racks, access to our launch and racks could change, and you would be notified. Boat rack and boat launch users must observe social distancing rules.

Boat Descriptions

Please provide as much information as possible to identify your boat. Thank you.
