COVID-19 Protocols

- The Huyck Preserve will require parents/guardians to complete a daily online health screening for their student before coming to education programs each day that programs are held. Students exhibiting symptoms, testing positive for COVID-19, or exposed to COVID-19 may not attend the program. For paid classes, refunds for missed classes will not be issued.
- Students will be expected to wear a cloth or disposable face mask properly covering both nose and mouth at all times except when social distancing is possible.
- I understand that these protocols may be adjusted, for example, in response to changed New York State or CDC regulations and guidelines, and I will be notified by the Huyck Preserve if such changes occur.
