PROGRAM INFORMATION

Education programs and hikes are \$5/student. There is no charge for teachers or chaperones. When part of a field trip lesson, guided hikes are included in the \$5 per student charge. Animal rehabilitation demonstrations are approximately 1-hour in length and carry a flat fee of \$150 each. Schools visiting on multiple days are eligible for a reduction in animal demonstration costs. Please inquire. An invoice based on anticipated group size will be sent prior to the trip.

List three dates your group is available for a program and include arrival and departure times.

Most visits run from 9:30 am to 1:30 pm and include lesson, field work, lunch break, and hike.
