## Winter Festival 2015

**Event & Activities**  
**1:00 P.M. to 4:00 P.M.**

### **Welcome to the annual Winter Festival at Huyck Preserve and Biological Research Station!**

We are glad you are joining us to celebrate the winter season and the joys of recreation here at the Preserve, and to support some local organizations and vendors. Be sure to check them out and take home a great find!

**Please be sure to sign in at the Huyck Preserve table! We'll have hot chocolate to warm up with for a donation!**

Make sure you **take a ride down the ice luge** from the research station steps to Lincoln Pond or **go skating on the pond** itself today – and remember **winter doesn't mean being stuck indoors!**

**Having fun? Please donate!**  
**Huyck Preserve is a non-profit organization,** supported through the generosity of our members and public donations. If you enjoy this festival and all Huyck Preserve has to offer, **please consider becoming a member or making a donation today – [www.huyckpreserve.org](http://www.huyckpreserve.org)**

### **Guided snow shoe walk**

**Scheduled times: 1:30 PM & 2:30 PM**
